Freedom Writers by Erin Gruwell is one of the most interesting books I've ever read. It is about how one teacher (Erin Gruwell) makes it her goal to change the way students in her class view the world. The students in her class view the world as one big war zone and have their own goal which is to be able to survive the streets without being killed. Mrs. Gruwell takes it up on herself to show the kids the theirs more to life than gang violence trying to do so she risks losing her job and husband. She

“We wholeheartedly support the creative freedom of the writers and we feel that creating an origin story is a staple of science fiction writing. What was written does not alter the flow of stories from William Hartnell’s brilliant Doctor onwards – it just adds new layers and possibilities to this ongoing saga.
