Complaints Disorders Complaints And Disorders

Complaints and Disorders: The Sexual Politics of Sickness by Barbara Ehrenreich and Deirdre English, their sequel to *Witches, Midwives and Nurses: A History of Women Healers*, documents the role of the medical system in propagating and fueling sexist ideology. The authors argue it is not biology that oppresses women; it is a social system based on sex and class discrimination.

Complaints and Disorders: The Sexual Politics of Sickness ...

"Complaints and Disorders: The Sexual Politics of Sickness" is a short book (95 pages) but that's part of what made it such a good read. Once you start reading it, you won't want to stop until you're to the last page. And there's a lot of info packed into those pages.
