### Liberty Equality And The Law

The rule of law prevents oppression by constraining arbitrary power. Liberty, equality, and the rule of law are all powerful and resonant terms, which makes it tempting to misuse or redirect them, as Thomas Hobbes did in the interest of stronger government and stability.

### Liberty, Equality, and the Rule of Law - Jurisprudence

The law of equal liberty, also known as the law of equal freedom or equal liberty, is the fundamental precept of liberalism. It has been stated in various ways by many thinkers, but can be summarized as the view that all persons must be granted the maximum possible freedom as long as that freedom does not interfere with the freedom of anyone else.

### Law of equal liberty - Wikipedia

Equality is consonant with liberty only in a limited sense; the equality comprehended by the Declaration of Independence and the libertarian tradition was equality of birth, without vested privileges provided by the state, and equality before the law, an equal liberty to utilize one’s faculties and potential to his own ends, to succeed or fail, to determine his own destiny without special favor of discrimination.<sup>21</sup>

### Individual Liberty and the Rule of Law - Foundation for ...

Since passage of the civil rights laws in the 60s, Democrats have increasingly become the party of equality while Republicans claim the mantle of liberty (or freedom). That has become a somewhat...

### The Ongoing Struggle Between Two American Ideals: Liberty ...

Equitable relief could only be sought in circumstances where strict application of the law would lead to a result contrary to the intent of the law. Most thinkers at the time of the framing of the U.S. Constitution were concerned that the power of equity would be too easily abused and sought to put strict limits on it.

### The End of Equality - Law & Liberty

Without equality, liberty is a mere mockery. Civil liberty can only be ensured when all are equal in the eyes of law, the same law for all and no privileged classes or individuals exempt from its provisions. Political liberty provides equal status for all citizens and equal opportunities for their participation in the affairs of the State.

### What is the Relationship between Liberty and Equality?

From the nation’s beginnings, the law was to be the great equalizer in American life, the guarantor of a common set of rules for all. But over the past four decades, the principle of equality before the law has been effectively abolished.

### With Liberty and Justice for Some: How the Law Is Used to ...

Our Equality Before the Law Practice includes: Fighting Racial Discrimination in Public Education, Public Employment, and Government Contracting It is immoral, unjust, and unconstitutional to treat individuals differently on the basis of race. PLF opposes all forms of racial discrimination by government, both overt and covert.

### Equality Before the Law | Pacific Legal Foundation

Liberty and Equality are closely related to each other. There is no value of liberty in the absence of equality. They are the same conditions viewed from different angles. They are the two sides of the same coin. Though there is a close relationship between liberty and equality, yet there are some political thinkers who do not find any relationship between liberty and equality.

### Relationship between Liberty and Equality

The idea of the slogan “Liberty, Equality, Fraternity” has also given an influence as natural law to the First Article of the Universal Declaration of Human Rights : All human beings are born free and equal in dignity and rights. They are endowed with reason and conscience and should act towards one another in a spirit of brotherhood.

### Liberté, égalité, fraternité - Wikipedia

It must protect only the liberty to do what is permitted by the (basically liberal) law and only the equality before that law, a law which is devoid of privileges which are not the result of the free and legal employment of human faculties and are thus artificial and unjust.

Law & Liberty’s focus is on the classical liberal tradition of law and political thought and how it shapes a society of free and responsible persons. This site brings together serious debate, commentary, essays, book reviews, interviews, and educational material in a commitment to the first principles of law in a free society.

### Law & Liberty, part of the Liberty Fund Network

Some thinkers draw a distinction between formal equality and substantive equality, where formal equality means something like mere equality before the law—the same laws applying equally to everyone—while substantive equality requires abolishing, or at least greatly reducing, differences in wealth, opportunity, or influence.

### Liberty: The Other Equality - Foundation for Economic ...

To have rights is not all, for its implementation a congenial atmosphere is needed and this is liberty. We, thus, find that rights, liberties and equality are closely connected. Both for rights and liberty the control of state or the intervention by government is essential. Here two points must be duly considered.

### Rights, Liberty and Equality (Comparative Analysis)

In light of the Court’s decision based on individual liberty and equality before the law, we should logically hold that siblings have a civil right to homosexual marriage. However, due to the nature of biological sexual reproduction, siblings may and should be legally forbidden to enter into heterosexual marriage.

### Liberty, Equality and Inconsistency - Catholic Stand

The fundamental requirement of the rule of law is equality: the uniform application of a set of preexisting rules to everyone, including the rulers. But like the term rule of law, equality under the law has become merely a platitude, a phrase recited without much appreciation of its significance.
